ALICE N. SALAS

Plaintiff,

vs.

JAMES JI ENTERPRISE,
JJ PACIFIC DEVELOPMENT
CORPORATION, JAMES JI,
and HUANG LEE,

Defendants.

CIVIL CASE NO. 02-00002

**AFFIDAVIT OF PLAINTIFF
IN SUPPORT OF APPLICATION
FOR DEFAULT JUDGMENT**

I, Alice N. Salas, hereby affirm and declare as follows:

1. I am the plaintiff in the above styled matter and therefore have personal knowledge of the information contained herein, and am therefore competent to testify thereto;
2. I was employed by James Ji Enterprise, JJ Pacific Development and James Ji as a secretary, receptionist, and general office assistant beginning July 30, 2001. I worked approximately 25 hours per week, at a salary of \$6.50 per hour;
3. On Friday, August 24, 2001 I received a summons to appear at the United States

Alice N. Salas v. James Ji Enterprises, et al.

Civil Case No. 02-00002

Affidavit of Plaintiff in Support of Application for Default Judgment

1 District Court of Guam for jury duty on Monday, August 27, 2001. I immediately
2 provided a written notice to the defendants, via Defendant Lee, regarding the
3 summons for jury duty;

4 4. On Monday, August 27, 2001, Defendants were provided with a Notice to
5 Employer by the U.S. Marshalls, regarding 28 USC Section 1875 "Protection of
6 Jurors' Employment." I attached a copy of this Notice and my Summons to my
7 complaint filed in this Court;

8 5. I was selected and was sequestered with the other jurors beginning on Friday,
9 September 7, 2001 for a trial to begin the next Monday. The Deputy Clerk of the
10 District Court provided a Notice to my employer of my selection with the trial to
11 begin on September 10, 2001;

12 6. Since I was sequestered, on September 12, 2001 a U.S. Marshall picked up my
13 pay check for the pay period ending August 31, 2001, in the amount of \$606.30;

14 7. The jury trial lasted approximately two weeks. I did not receive any pay during
15 that period of time from my employer. Once I was released from jury duty, on or
16 about September 24, 2001, I telephoned my employer and asked when I should
17 report to work. I was told that I would be contacted later;

18 8. From September 24, I made several calls and went to my employer and asked
19 when I could return to work. I got no response, and often was told that I would be
20 called. On or about October 15, I was finally told to report to work, but I was
21 given fewer hours than I had previously worked. Once I returned to work,
22 Defendants were hostile, disrespectful, and refused to speak with me unless it
23 was absolutely necessary;

24 9. I was embarrassed, humiliated, and depressed by the treatment I received after I
25 returned to work. I felt that I was not wanted there, and that I was being forced to

1 resign because I had served on jury duty. I worked until October 26, and on
2 October 29, I resigned due to the hostility and disdain I experienced at work;

3 10. I have placed several applications for employment since I resigned, but have been
4 unable to find employment. I expected to work for James Ji Enterprises for the
5 next few years, since I enjoyed my job, and I was good at it. There is still to my
6 knowledge a person employed as a secretary, receptionist and performing the
7 same or similar job that I was doing before my jury service. Based on my part-
8 time earnings, I could have expected to earn approximately \$16,380 per year after
9 taxes, as shown by my pay check of September 12, 2001.

10 Respectfully submitted this 16th day of May, 2002.
